## Introduction

The mission of the Hallandale Beach Community Redevelopment Agency (CRA) is to foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate slum and blight, thus improving the attractiveness and quality of life of the area and the City of Hallandale Beach as a whole. The CRA's Implementation Plan, which is available to the public on the CRA's website, provides the framework for projects and activities intended to accomplish this mission, and offers objectives for redevelopment of the area that is also consistent with the citizens' visions as expressed through various neighborhood and area planning initiatives. The policies used to accomplish these goals are targeted at businesses and residents respectively.

#### NEIGHBORHOOD IMPROVEMENT PROGRAM (NIP)

#### **Program Overview**

One goals of the Neighborhood Improvement Program (NIP) is to provide financial assistance for exterior residential facade improvements in the redevelopment district for the purpose of improving property conditions and value, and aiding in the elimination of slum and blight. An additional goal is to foster sustainable practices that all HBCRA funded improvements increase the energy efficiency of the units. Moreover it is the intent of this program to encourage neighborhood beautification and enhanced curb appeal in all areas of the redevelopment district. A property can be assisted twice every four years providing that no other HBCRA loans or City liens exit on the property.

**Special Focus Areas** – The HBCRA may, at its sole discretion and at any time during the NIP fiscal year, designate one or more special Focus Area to target for funding assistance for largescale neighborhood improvement (such as streetscapes, curb appeal, Florida friendly landscaping, etc.). A Special Focus Area may be targeted for improvement due to circumstances, uniqueness or other reasons deemed worthy by the HBCRA to further community development goals and objectives. The Executive Director can designate funding up to \$150,000 for a special focus area. Additional funding in excess of the designated amount will require HBCRA Board of Directors' approval. Funding for a special focus area is dependent on availability and designated area is determined by HBCRA staff.

#### **Eligibility Requirements for Owner Occupied dwellings**

- The property must be located within the HBCRA district.
- Must be an owner occupied (homesteaded) single family home or duplex.
- If property is financed, mortgage must be current.
- Applicant cannot be in bankruptcy (the required waiting period for applying for NIP loan is three years after bankruptcy discharge).
- Property cannot be in foreclosure or pending foreclosure proceeding within three years of application submittal.
- Property must be free of judgements and liens (houses with City code enforcement liens can only apply once liens have been mitigated and must remain free of liens for a minimum of four years).
- Applicants must be citizens or permanent legal residents of the United States in order to qualify.
- All property taxes, homeowners insurance and utilities must be current in order to apply and must remain current while receiving assistance.
- A minimum credit score may be required to determine eligibility.
- Participants must show proof of income and meet the household income requirements.
   Based on Gross Broward Median Income as outlined in Appendix I, applicants must be of moderate household income or below. Household size will be determined by the number of people an applicant declares and is able to provide documents that substantiate that claim. Documents must show proof of joint residency. This may include but is not limited to:
  - a) Tax returns indicating dependents
  - b) School registration

- Any and all projects involving work that has already commenced prior to the execution of a loan with the HBCRA will not be funded.
- The work must be done by a licensed contractor. The HBCRA will not finance any improvements in which the applicant does the work, also known as sweat equity.
- Properties with multiple mortgages or reverse mortgage are not eligible to participate.
- Trailer Parks and cooperative units are not eligible for the NIP program.

#### Eligibility Requirements for Non-Owner Occupied dwellings

- All of the above applies with the following exceptions:
  - a. Don't need to be homesteaded
  - b. Will not qualify for any loan forgiveness

#### **Eligible Uses**

HBCRA funding assistance can be used for the following improvements:

- Repair or replacement of roof.
- Impact windows and doors.
- Walkway and driveway, including swale.
- Repair or cleaning of exterior masonry or stucco.
- Pressure cleaning

While this program is designed to perform exterior improvements, emergency interior repairs can also be included if they mitigate life safety issues including: Removal of asbestos, mold, home barriers to the disabled and/or elderly or other life safety issues as determined by the Building or Code Compliance Official.

Costs may include other work necessary to complete the project, including: Architectural, landscape architectural or engineering fees for the preparation of construction drawings, construction supervision, permits and inspection fees.

#### **Terms**

Owner Occupied Properties: Under the Neighborhood Improvement Program (NIP), the HB will provide a zero interest loan of up to \$50,000 for homesteaded residential properties.

Non-Owner Occupied Properties: The HBCRA will provide a 1% to 3% interest loan for non-owner occupied dwellings (single family home or duplex) of up to \$50,000. A loan of up to \$75,000 is available for multi-family properties (3 or more units) at 1% to 3% interest. See loan repayment below in Loan Terms.

The loan amount will not be more than 50% of the property appraiser's assessed value of the property. Applicants with home repairs exceeding 50% of the property appraiser's assessed value could be a candidate for the Replacement Home Program.

All improvements must be completed by a licensed contractor and must be completed within 120 days of loan execution.

Payments are made directly to contractor on behalf of the applicant.

#### Loan Forgiveness & Repayment

Loan forgiveness and repayment is based on household income as set forth in the current Broward County Median Income (BMI) guidelines. Applicants meeting the income requirements will receive a tiered forgiveness as follows:

- Applicants with multi-unit dwelling (3 or more) will repay a 100% of the loan (interest rate to be determined).
- Applicants with income above the 120% BMI will repay 100% of the loan (income not to exceed 140% BMI).
- Applicants with income above 80% BMI but less than 120% will repay 60% of the loan.
- Applicants with income above 50% BMI but less than 80% will repay 40% of the loan.
- Applicants with income at 50% BMI or below will have a 100% forgiveness loan. The loan becomes forgivable at a rate of 25% per year for four years. If the property is sold or transferred within that time, the loan must be repaid with the following terms:

Timeframe	% of initial loan	Annual Interest Rate
< 3 years	100%	6%
< 4 years	50%	N/A
< 4+ years	N/A	N/A

Applicant with partial loan forgiveness will lose the forgiveness if the property is sold or conveyed prior to the maturity date and will have to repay 100% of the loan along with a 6% interest rate if sold or conveyed within the first three years.

#### **Loan Default**

- a. If payments are not made for a three month period, the full loan amount granted by the HBCRA, plus penalties are due. Foreclosure may be pursued legally.
- b. Failure to maintain current loan payments, payments for HBCRA services, current property taxes and insurance and/or properly maintaining the completed improvements may result in a request for accelerated payment in full.
- c. If property is transferred within three years of loan closing, the full amount loaned plus an accelerated six (6) % interest must be paid to the HBCRA.
- d. See above chart if property is transferred during the fourth and fifth year, prior to maturity.
- e. If property incurs a City code lien within four years of the loan.

#### **Subordination**

HBCRA will subordinate its loan for rate and term changes but not for cash out or credit cards consolidation.

#### Satisfaction

After the expiration of the four year period, if the loan is not in default, the HBCRA will record a satisfaction of mortgage. Home/property owners are responsible for all lien release fees.

#### **Fees**

- \*Single Family Home & Duplex \$550.00 Application Fee (Non-Refundable)
- \*Multiple (3+Units) \$750.00 Application Fee (Non-Refundable)

\*Application fee includes the cost of the inspection. In the instance the property is not eligible for the program due to issues discovered in the lien search phase, the cost for the inspection will be refunded (\$350) to the applicant.

Other fees (such as title reports, extensive or additional inspections, etc.) as deemed necessary for program participation can incur additional charge to the applicant and can be included as part of the awarded assistance amount.
