Hurricane Shutter/Impact Glass Program Policy

Revision – August 2021
Creation - November 2013

Introduction

The mission of the Hallandale Beach Community Redevelopment Agency (CRA) is to foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate slum and blight, thus improving the attractiveness and quality of life of the area and the City of Hallandale Beach as a whole. The CRA's Implementation Plan, which is available to the public on the CRA's website, provides the framework for projects and activities intended to accomplish this mission, and offers objectives for redevelopment of the area that is also consistent with the citizens' visions as expressed through various neighborhood and area planning initiatives. The policies used to accomplish these goals are targeted at businesses and residents respectively.
