Introduction

The mission of the Hallandale Beach Community Redevelopment Agency (CRA) is to foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate slum and blight, thus improving the attractiveness and quality of life of the area and the City of Hallandale Beach as a whole. The CRA's Implementation Plan, which is available to the public on the CRA's website, provides the framework for projects and activities intended to accomplish this mission, and offers objectives for redevelopment of the area that is also consistent with the citizens' visions as expressed through various neighborhood and area planning initiatives. The policies used to accomplish these goals are targeted at businesses and residents respectively.

NEIGHBORHOOD IMPROVEMENT PROGRAM (NIP)

Program Overview

One goal of the *Neighborhood Improvement Program* (NIP) is to provide financial assistance for exterior residential facade improvements in the redevelopment district for the purpose of improving property conditions and value and aiding in the elimination of slum and blight. An additional goal is to foster sustainable practices that all HBCRA funded improvements increase the energy efficiency of the units. Moreover, it is the intent of this program to encourage neighborhood beautification and enhanced curb appeal in all areas of the redevelopment district. A property can only be assisted a maximum of two times per owner, providing that no other HBCRA loans or City liens exist on the property.

Special Focus Areas – The HBCRA may, at its sole discretion and at any time during the NIP fiscal year, designate one or more special Focus Area to target for funding assistance for largescale neighborhood improvement (such as streetscapes, curb appeal, Florida friendly landscaping, etc.). A Special Focus Area may be targeted for improvement due to circumstances, uniqueness or other reasons deemed worthy by the HBCRA to further community development goals and objectives. The Executive Director can designate funding up to \$150,000 for a special focus area. Additional funding in excess of the designated amount will require HBCRA Board of Directors' approval. Funding for a special focus area is dependent on availability and designated area is determined by HBCRA staff.

All improvements must be completed by a licensed contractor and must be completed within 120 days of loan execution.

Payments are made directly to contractor on behalf of the applicant. Applicants cannot be reimbursed for payments made directly to their contractors.

Loan Forgiveness & Repayment

Loan forgiveness and repayment is based on household income as set forth in the current Broward County Median Income (BMI) guidelines. Applicants meeting the income requirements will receive a tiered forgiveness as follows:

- Applicants with multi-unit dwelling (3 or more) will repay a 100% of the loan (interest rate to be determined).
- Applicants with income above the 120% BMI will repay 100% of the loan (income not to exceed 140% BMI).
- Applicants with income above 80% BMI but less than 120% will repay 60% of the loan.
- Applicants with income above 50% BMI but less than 80% will repay 40% of the loan.
- Applicants with income at 50% BMI or below could be eligible for 100% forgiveness loan. The loan becomes forgivable at a rate of 25% per year for four years. If the property is sold or transferred within that time, the loan must be repaid with the following terms:

Timeframe	% of initial loan	Annual Interest Rate
< 3 years	100%	6%
< 4 years	50%	N/A
< 4+ years	N/A	N/A

Applicant with partial loan forgiveness will lose the forgiveness if the property is sold or conveyed prior to the maturity date and will have to repay 100% of the loan along with a 6% interest rate if sold or conveyed within the first three years.

Loan Default- Applicant will incur penalty (if any of the below occurs)

- a. If payments are not made for a three-month period, the full loan amount granted by the HBCRA, plus penalties are due. Foreclosure may be pursued legally.
- b. Failure to maintain current loan payments, payments for HBCRA services, current property taxes and insurance and/or properly maintaining the completed improvements may result in a request for accelerated payment in full.
- c. If property is transferred within three years of loan closing, the full amount loaned plus an accelerated six (6) % interest must be paid to the HBCRA.
- d. See above chart if property is transferred during the fourth and fifth year, prior to maturity.
- e. If property incurs a City code lien within four years of the loan.
- f. Penalty may be waived if applicant must sell prior to maturity date due to financial hardship.

Home Equity Loan

Homeowners with a NIP loan will be able to apply for an equity line of credit if there's no first mortgage on the property.

Subordination

HBCRA will subordinate its loan for rate and term changes but not for cash out or credit cards consolidation.
