Introduction

The mission of the Hallandale Beach Community Redevelopment Agency (CRA) is to foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate slum and blight, thus improving the attractiveness and quality of life of the area and the City of Hallandale Beach as a whole. The CRA's Implementation Plan, which is available to the public on the CRA's website, provides the framework for projects and activities intended to accomplish this mission, and offers objectives for redevelopment of the area that is also consistent with the citizens' visions as expressed through various neighborhood and area planning initiatives. The policies used to accomplish these goals are targeted at businesses and residents respectively.

FIRST TIME HOMEBUYER (FTHB)

Program Overview

The First Time Homebuyer Program provides up to \$100,000 in down payment assistance for the purchase of a first home in the CRA district. These funds are available to affordable housing buyers (whose income is between 50 and 120 percent of the Broward County median income guidelines) to be used for gap funding and closing costs. To assist buyers who are purchasing condominiums where the lender requires mandatory equity contributions, the HBCRA could provide up to \$25,000 of the \$100,000 subsidy as an initial forgivable loan to cover this cost. Therefore, this portion of the loan will not be considered part of a second mortgage but an outright grant.

The program also provides an incentive of up to \$10,000 in down payment assistance for workforce housing buyers whose income is above 120% but not more than 140% median. An additional \$5,000 incentive is available for first responders, teachers and nurses.
