HALLANDALE BEACH COMMUNITY REDEVELOPMENT AGENCY PROPERTY TAX REIMBURSEMENT PROGRAM

About the Program

Goals/Objectives: Eliminate functional obsolescence, remove deterioration, update existing buildings, and encourage new investment/development with an emphasis on enhancing the overall Hallandale Beach Community Redevelopment Agency (HBCRA), improving the quality of existing buildings within the HBCRA, and attracting new construction to the HBCRA.

Eligible Area: All properties within the HBCRA.

Eligible Properties: All commercial, multifamily, or mixed-use (residential/commercial) buildings in the HBCRA with uses permitted by applicable land use codes or approved conditional uses that have had substantial capital improvements or new construction.

Eligible Project Costs: The benefits of this Program are not directly based on Project costs. Rather, the benefits of this Program are based on capital improvements on existing properties or the development cost of new buildings that result in a substantial increase of Ad Valorem Tax (Property Tax). The proposed Project must comply with the Plan, HBCRA urban design guidelines, and applicable land use regulations, subject to review/approval by the City of Hallandale Beach Development Services Department and HBCRA staff. All construction work must be performed by licensed contractors with required building permits and progress inspections.
