Introduction

The mission of the Hallandale Beach Community Redevelopment Agency (CRA) is to foster and directly assist in the redevelopment of the Community Redevelopment Area in order to eliminate slum and blight, thus improving the attractiveness and quality of life of the area and the City of Hallandale Beach as a whole. The CRA's Implementation Plan, which is available to the public on the CRA's website, provides the framework for projects and activities intended to accomplish this mission, and offers objectives for redevelopment of the area that is also consistent with the citizens' visions as expressed through various neighborhood and area planning initiatives. The policies used to accomplish these goals are targeted at businesses and residents respectively.

Definitions

Administrative Fees: Fees charged to NIP applicants to cover costs incurred by HBCRA to administer the NIP and Hurricane Impact Glass Program Program; such fees include but are not limited to an application fee, re-inspection fee, and subordination fee.

Affordable Housing: A situation where the cost of monthly rents or monthly mortgage payments, including taxes, insurance, and utilities, do not exceed 38% of a household's adjusted gross monthly income. This is based on the median average income for the household size and primarily applies to very low, low, and moderate-income households.

Assets: Cash or items of value that can be converted to cash and used as collateral to secure financing.

Assumption of Mortgage: When a buyer purchases a home and agrees to take over the existing mortgage debt on the house from the seller.

Community Redevelopment Agency: The Community Redevelopment Act of 1969, codified as Part III of Ch. 163, F.S., was enacted to enable counties and municipalities to eliminate and prevent the development or spread of slums and urban blight, to encourage needed community rehabilitation and to provide for the redevelopment of slums and blighted areas.

Cooperative: – The form of ownership of real property wherein legal title is vested in a corporation or other entity, and the beneficial use is evidenced by an ownership interest in the association and a lease or other instrument of title or possession granted by the association as the owner of all the cooperative property.

Debt to Income Ratio: The percentage of a person or household's monthly gross income that goes toward paying debts.

Default: When a borrower is unable to fulfill the obligations of his/her loan agreement.

First Right-of-Buyback: The right to have the first opportunity to purchase the property from a buyer when the buyer decides to sell or convey the property. The HBCRA, at its option, may purchase the property at the Market Value (as appraised) minus the principal assistance amount and any applicable deductions.

Grant: For the purpose of this Policy, is that portion of the loan or the financial assistance which is forgiven and not required to be paid back to the HBCRA.

Hallandale Beach Community Redevelopment Agency (HBCRA): The Community Redevelopment Agency of Hallandale Beach.

Homestead: in Florida, an individual's primary residence.

Loan Agreement: A contract which regulates the terms of a loan.

Market Value: The value of the property as determined by an appraisal conducted in accordance with HBCRA requirements.

Mortgage and Promissory Note: A legal document that states that a borrower obtaining a loan is obligated to repay it within the specified time period and provides a security interest in the form of a lien in favor of the lender against the home if the borrower fails to fulfill the terms.

Principal: The currently unpaid balance of a loan, not including interest (if applicable).

Proceeds of Sale: The difference between the purchase price of a property at the time the property was conveyed to the buyer and the sale price of the property at a subsequent time when the buyer intends to sell or convey the property.

Rehabilitation: the process of returning a property to a state of utility, through repair or alteration, which makes possible an efficient, contemporary use while preserving those portions which are significant to its historic, architectural, and cultural values.

Restrictive Covenant: A provision and/or contract restricting or limiting the use or sale of the property in some manner.

Satisfaction of Mortgage: A document acknowledging the payment of a mortgage debt.

Special Focus Area: An area that is targeted for improvement due to circumstances, uniqueness or other reasons deemed worthy by the HBCRA to further community development goals and objectives.

Subordination: A loan (or security) that ranks below other loans (or securities) with regard to claims on assets or earnings. HBCRA will only subordinate to 2nd lien position. HBCRA will not subordinate in the case of a cash-out transaction.

Sweat Equity: increased value from a property due to the owner performing the labor when renovating or improving that property.

Transfer: Any change in ownership that is different from the name (s) on the original mortgage and promissory note.

REPLACEMENT HOME PROGRAM (RHP)

Program Overview

The RHP is a subset of the Neighborhood Improvement Program (NIP). Applicants are identified to be eligible for this program once the property assessment, ordered by the HBCRA, proves that the costs of the recommended NIP improvements exceed 50% of the property appraiser's assessed value of the property.

Under the Replacement Home Program, the HBCRA will provide single-family homeowners with a low-interest or interest-free loan of up to \$250,000 (or the current cost of construction with plans, permits, construction, and finishes).

Eligibility Requirements for the Replacement Home Program

To qualify for the Replacement Home Program, applicants must meet the following requirements:

1. Program Enrollment
 - Applicants must first apply to the Neighborhood Improvement Program (NIP) to determine eligibility for the RHP.
2. Citizenship Status
 - Applicants must be U.S. citizens or permanent residents.
3. Financial Standing
 - All property taxes, homeowner's insurance, and city utility bills must be current at the time of application and must remain current while receiving assistance.
 - A minimum credit score of 640 is required.
 - Housing expenses (including mortgage, mortgage insurance, property taxes, and homeowner's insurance) must not exceed 38% of the applicant's gross income.
 - Total debt obligations (including housing and all other debts) must not exceed 45% of gross income.
4. Property Requirements
 - Properties with an existing mortgage or outstanding liens are not eligible.
 - However, if the homeowner is able to fully satisfy the mortgage or resolve any liens, the application will be reconsidered.
 - The property must be the applicant's primary residence and must be homesteaded.
5. Income Eligibility
 - Applicants must meet the current Broward County Median Income guidelines.
 - Household income must be considered moderate (120%) or below, based on gross income, as outlined in Appendix I.
 - Applicants must submit documentation to verify income and household size. Acceptable documents include, but are not limited to:
 - Tax returns listing dependents
 - School registration showing joint residency
6. Additional Documentation
 - Additional documents may be required (e.g., financial records, identification, proof of residence) to fully determine program eligibility.

Eligible Uses

- Financial assistance can be used towards design, demolition and construction of a new home on the same property.

Loan Terms

- The loan amount will not exceed \$250,000 (or the current cost of construction with plans, permits, construction and finishes).
- A 0% interest rate loan for a twenty (20) year period.
- Applicants who are age 65 or older, and who meet the income requirement may qualify for forgiveness of up to \$100,000. The qualifying elderly recipient must reside in the property as their homestead over a period of ten (10) years in order to obtain the loan forgiveness. If the recipient sells or conveys the property before the tenth year of residency in the property, the forgiveness is negated.

The forgiveness portion is applicable to the primary applicant/recipient not any co-applicants/co-recipients who meet the requirements above. If the recipient is deceased before the tenth year of occupancy in the property, the forgiveness will be negated. The co-applicant/recipient will be responsible for repayment of one hundred (100%) percent of the loan. The loan repayment will be amended to remove the forgiveness (as noted in the loan documents).

It is assumed that properties that fall into this category will not have an existing mortgage. Houses with existing mortgage or outstanding liens cannot participate in the Replacement home program. If homeowner is able to satisfy mortgage and or rectify any outstanding lien, then their application will be considered for the program.

Subordination

HBCRA will subordinate its loan for rate and term changes but not for cash out or credit cards consolidation.

Satisfaction

After the loan reaches maturity, if the loan is not in default, the HBCRA will record a satisfaction of mortgage. Home/property owners are responsible for all lien release fees.
